On 03/03/18 at approximately 2000 hours Ericka and Sarah ZELAYA came to BPD for a follow up interview. A few days ago Sarah came to Ericka and told her that GALAN CARDONA had actually raped her while he was living at their residence between 07/31/17 and 09/04/17. This officer escorted Ericka and Sarah to the chiefs office in BPD and asked Sarah to explain what had actually occurred between her and GALAN CARDONA. Sarah stated that she was originally not wanting to tell the truth because she "didn't want to be dissected". When this officer asked her to explain what that meant, Sarah went on to describe what she believed would be an invasive physical examination. Sarah also explained that she had kept quiet for so long because she was worried that GALAN CARDONA would hurt her sister Andrea. When asked if GALAN CARDONA had ever threatened Andrea's safety, Sarah stated no, but it was still a concern. Sarah told this officer that there were three separate incidents with GALAN CARDONA in which he sexually assaulted her.

First incident: (Sometime around the last two weeks of August 2017). Sarah stated that it was a Monday morning around 7AM or 8AM. Sarah stated that she was in her bedroom and was in her bed sleeping in her bra and underwear. When asked if she still had the clothing, Sarah stated that she wasn't sure which bra and underwear that she had on. Sarah continued that GALAN CARDONA got into bed with her and under the covers. GALAN CARDONA then began to fondle her breasts and vagina with his hands. Sarah stated that she told GALAN CARDONA to stop it and he would continually say "it's okay, don't worry about it".

Sarah told this officer that she then was able to move away from GALAN CARDONA and she fell out of the bed. Once out of the bed she went to her bathroom and turned on the shower. Sarah stated that she listened at the door to see if GALAN CARDONA would try and come in but he never did. Sarah was afraid that he would try and touch her again so she ran to her room and changed into clothes in her closet. Sarah stated that her mom and dad had left for work at approximately 630AM that morning, so it was just she, Andrea, and GALAN CARDONA in the residence. This officer asked Sarah if she had opportunity at that point to call her parents or 911 and she stated that she did but at the time it didn't occur to her to do so. Sarah stated that she went downstairs to the kitchen to make Andrea something for breakfast and encountered GALAN CARDONA washing some dishes at the kitchen sink. Sarah told this officer that GALAN CARDONA grabbed her arm and shoved her up against a wall in the kitchen and began to kiss her. Sarah said "what are you doing?" and GALAN CARDONA swung her by the arm and had her lay down on the floor on her back. Sarah described this as not being a violent maneuver, but just that he was "guiding" her to the floor. GALAN CARDONA then told Sarah to go downstairs to the basement and she replied no. Sarah stated that her first concern was for Andrea and not for herself so she decided to go downstairs with GALAN CARDONA. Once downstairs in the basement, GALAN CARDONA again pinned her up against a wall and began to kiss her. GALAN CARDONA then once again put her onto the floor and Sarah stated that she felt like she "blacked out" at that time because she was unable to recall any details.

Sarah stated that GALAN CARDONA took her into her Uncle Joe's bedroom in the basement because he wasn't home and then he took off her shirt and her pants. When asked Sarah stated that she was wearing blue jeans and a black long sleeve t-shirt. When asked if she still had those items of clothing, Sarah told this officer that she was actually wearing the same jeans right now, and she wasn't sure where the shirt was. Sarah stated that GALAN CARDONA then began to take off her bra and underwear. When asked if she still had that clothing, Sarah stated that she wasn't sure which bra she was wearing, but she was wearing pink "boy shorts" style underwear and believed that she still had them. Sarah told this officer that GALAN CARDONA then began to undress himself. Sarah stated that he was wearing a white v neck style t-shirt and khaki shorts, which is what "he always wears everyday". Sarah told this officer at this point she was on her back laying on the bed in that room which was a twin size bed. Sarah stated that she felt "lost and confused" and didn't really understand what was going on. Sarah told this officer that GALAN CARDONA then went to insert his penis into her vagina and he pushed "just the tip" inside of her. Sarah then told GALAN CARDONA "you don't have any protection" referring to a condom, and GALAN CARDONA replied "it's okay". Sarah stated that she told GALAN CARDONA "I don't wanna get pregnant" so he withdrew his penis from inside of her at that point. Sarah stated that they both "kind of sat there for a few minutes" and then GALAN CARDONA took her left hand and put it on his penis. Sarah stated at that point she "decided to give him a handjob so it would just be over". This officer asked Sarah if GALAN CARDONA finished or ejaculated and she stated that she wasn't sure but didn't think so.

Sarah stated that GALAN CARDONA then told her "don't tell anyone" and "go and get yourself together" so she grabbed her clothing off of the floor and she went upstairs. Sarah continued that GALAN CARDONA then took her and Andrea to Home Depot in Frederick (unsure which location) so that he could buy parts to install a light fixture in the basement. Sarah stated that she had a bruise on her upper lip, likely from all of the forced kissing. Ericka then told this officer that she remembered Sarah having that bruise and asking her what had happened. Sarah told her mother that she had bumped it on her bathroom sink while reaching down to get something under the sink. Ericka stated that GALAN CARDONA was present and stated that she had injured herself in that manner which at the time Ericka found to be odd.

Second incident: (Approximately one week after the first incident). Sarah stated that this incident occurred in the morning but she couldn't remember which day of the week that it was. Sarah told this officer that once again her parents weren't home, and her Uncle Joe "is never home", so it was just her, Andrea, and GALAN CARDONA again. Sarah stated that Andrea was sleeping in her room with her, and she woke up and wanted to get an apple from the kitchen. Sarah continued that when she got downstairs GALAN CARDONA was sitting in the living room adjacent to the kitchen and seemed to be "waiting for her". Sarah stated that GALAN CARDONA pulled her into the living room by her arm and onto the couch where he began to undress her. When asked Sarah stated that she was wearing pajamas which were pink sweatpants and a white t-shirt. When asked if she still had that clothing, Sarah said that she did. Sarah stated that as GALAN CARDONA was pulling off her clothing she was feeling

"confused and lost" and like she "had given up on herself". Sarah told this officer that once GALAN CARDONA had undressed her, and undressed himself, he produced a condom which was an unknown brand but was in a silver and purple wrapper. Sarah stated that she took the condom out of his hand, looked at it, and threw it towards the lamp in that room while stating "I don't wanna use that". GALAN CARDONA then took that to mean that Sarah was okay with having sex and not using a condom but Sarah stated that she told him no as in she didn't want to have sex at all. Sarah stated that GALAN CARDONA retrieved the condom, unwrapped it, and put it on his penis. Sarah stated that GALAN CARDONA inserted his penis fully into her vagina and she screamed "ow!" because it immediately hurt her because "she was a virgin". Sarah stated that while they were having sex, at some point the condom broke inside of her and GALAN CARDONA had already ejaculated into the condom. Sarah told this officer that GALAN CARDONA told her to "go to the bathroom and try and pee", which she did, but explained to GALAN CARDONA that she didn't know what she was doing. Sarah stated that immediately after that GALAN CARDONA left her alone, and he left to go to work.

Third incident: (Occurred sometime after 8/19/17 because the family had gone on a church related camping trip). Sarah stated that once again this incident occurred on an unknown morning during the week where the only persons present in the house were her, Andrea, and GALAN CARDONA. Sarah told this officer that she was in her room and in bed sleeping when GALAN CARDONA came into her room and woke her up by kissing her.

Sarah stated that she couldn't remember what clothing she was wearing at the time. GALAN CARDONA told Sarah that he wanted her to "come downstairs so he could show her something". Sarah stated that she got out of bed and went to brush her teeth before going downstairs. Sarah stated that GALAN CARDONA was waiting for her in the living room when she came downstairs and then forced her to go with him to the basement by guiding her down the stairs. Sarah stated that she didn't try and resist and went along in order to protect her sister. Sarah stated that things happened "very quickly this time". Sarah explained that GALAN CARDONA pulled her into his bedroom and stripped off both of their clothes immediately. GALAN CARDONA shoved her onto his bed and then produced a condom that was in the exact same kind of wrapper as the previous incident. Sarah stated that GALAN CARDONA then "pulled out some kind of cream" that "burned her", "but not like a burn from fire". Sarah stated that GALAN CARDONA rubbed some of the "cream" into her vagina and also onto his penis which already had the condom on it. Sarah asked GALAN CARDONA what the cream was for and he replied "so the condom wouldn't break again". GALAN CARDONA then inserted his penis into her vagina and started to have sex with her. Almost immediately Sarah stated that it began to hurt her very badly and then GALAN CARDONA told her "to stop being a baby". Sarah then noticed that she was bleeding very heavily from her vagina and that there "was blood everywhere", "like a lot of blood". GALAN CARDONA then told her to go upstairs and she didn't see him again that afternoon because he was in the kitchen attempting to fix a kitchen sink.

This officer asked Sarah if there was anything else that should go into this report. Sarah told this officer that after the first incident occurred, GALAN CARDONA would kiss her and fondle her "every single day" and it would also occur even if her parents were in the house.
